#### **Public Comment**

District Policy 180.05 provides an opportunity for the public to address the Board. We value the public comment period and feedback from our stakeholders. To comply with the Open Meetings Law and to ensure consistency, public comment will have the following parameters:

- Speakers will have three minutes in which to make their comments. Ms. Katie Heitz will signal the speaker when their time is up.
- The Board will not comment after each speaker and will reserve discussion to any items on the agenda. Speakers are welcome to stay for the meeting.
- Next steps following public comment may include: referral to the appropriate administrator for follow-up with the speaker or placement of the matter on a future Board agenda.

**OREGON SCHOOL DISTRICT**

**Date:** January 9, 2023

**Time:** 6:30 PM

**Place:** Innovation Center at Oregon High School, 456 N Perry Parkway, Oregon, WI

Mission: The mission of the Oregon School District is to educate all students by helping them acquire the skills, knowledge, and attitudes needed to achieve their individual potential, to contribute to a changing society, and to be receptive to learning as a lifelong process. The mission will be accomplished by delivering a high quality program through the joint efforts of students, staff, parents, and community.

Ms. Flanagan thanked those who generously donated to the Oregon School District. In a roll call vote, the following members voted yes: Ms. Wright, Dr. Lokuta, Ms. Bizjak, Ms. Garrison, Mr. LeBrun and Ms. Flanagan. Motion passed 6-0.

B. INFORMATION ITEMS:

1. Public Comment: None
2. OEA Report: None
3. Student Representative Report: Student Representatives Peyton Schroeder and Nate Modjeski provided an update to the Board on recent events happening at Oregon High School. They reported that the workload for students has continued to increase as we move toward the end of the semester. They also shared that academic teams are moving into competition season. Peyton shared that there is a ski trip coming up this Friday. And Nate shared that the Orchestra and Choir had a combined concert last week that was outstanding.

C. ACTION ITEMS:

1. Approval of Mike Huemmer Scholarship: Dr. Lokuta moved and Mr. LeBrun seconded the motion to approve the Mike Huemmer Scholarship as presented by Dr. Bergstrom and sponsored by Jake Soule. Board members had the opportunity to ask questions. In a roll call vote, the following members voted yes: Dr. Lokuta, Mr. LeBrun, Ms. Bizjak, Ms. Garrison, Ms. Wright and Ms. Flanagan. Motion passed 6-0.
2. Cancellation of the December 26th, 2022 Board Meeting: Ms. Wright moved and Ms. Garrison seconded the motion to cancel the December 26th, 2022 Board Meeting. In a roll call vote, the following members voted yes: Ms. Wright, Ms. Garrison, Ms. Bizjak, Dr. Lokuta, Mr. LeBrun and Ms. Flanagan. Motion passed 6-0.

D. DISCUSSION ITEMS:

1. Committee Reports
  - a. Policy - Chairperson Garrison stated that the Policy Committee Meeting prior to the Board Meeting and will be bringing Policy 411.01: Graduation Requirements and Policy 715: Head Lice to the January 9th Board Meeting. She also stated that the next Policy Meeting will be January 9th prior to the Board of Education Meeting.
  - b. Vision Steering - Ms. Bizjak shared that the Vision Steering Committee met last week and discussed Factors Influencing Future Budgets, including the Student Enrollment and Growth Study, Open Enrollment and how facilities will be impacted.
  - c. Wellness - Dr. Lokuta shared that the Wellness Committee recently met and discussed many important topics. These topics included: increasing movement opportunities for students, conservation and gardening activities and how to incorporate into the curriculum, supporting and improving staff wellness, the AmeriCorps Farm-to-School program and the opportunities to continue incorporating

health foods into the OSD Food Service Program, and the mutually beneficial partnership between the Oregon School District and the Oregon Area Food Pantry.

E. INFORMATION ITEMS:

1. Student Services Update: Mental Health - Dr. Shannon Anderson, Director of Student Services, presented an update to the Board that introduced the Wisconsin School Mental Health Framework, provided an OSD update using the Framework, and shared next steps for the Student Services department. Board members had the opportunity to ask clarifying questions.
2. Spring Election, 2023 - President Flanagan shared that there are 3 seats that will be on the ballot for the School Board Election on April 4th, 2023. The seats include one from Area I - Village of Oregon which is currently held by Ms. Ahna Bizjak, one from Area II - City of Fitchburg, Town of Blooming Grove and Town of Dunn which is currently held by Ms. Heather Garrison and one from Area III, Town of Rutland, Town of Montrose, Town of Oregon, Town of Brooklyn, Town of Union and Ville of Brooklyn which is currently held by Mr. Tim LeBrun. Ms. Bizjak and Ms. Garrison stated that they would be running for re-election and Mr. LeBrun stated that he will not be seeking re-election.
3. Vision and Strategic Planning - Dr. Bergstrom shared that this was covered in the Student Services Update.
4. Teaching and Learning Update: Dual Language Immersion Program Status Update - Mr. Jon Tanner, Director of Learning and Student Achievement, presented a status update to the Board of Education on the possibility of a Dual Language Immersion Program. He shared a historical timeline of the program, the District's current offerings, the process used by the Stakeholder group, the potential future options and the next steps for the planning teams.
5. Superintendent's Report: Dr. Bergstrom shared her congratulations to OMS Science Teacher and Soccer Coach, Chris Mitchell, who was named the Wisconsin Soccer Coaches Association Coach of the Year in Division 2. This is the third time that he has received this honor. She shared that the High School recently served as a host site for the Dairyland Games Wheelchair Basketball Tournament, and that members of the OHS girls basketball team volunteered at the event as well. Dr. Bergstrom offered her congratulations to the following students and staff who were a part of a Madison Symphony Orchestra concert at the Overture Center: staff members Michelle Kaebisch and Lisel Deussen, and students Olive Andersen, Lia Wochenske, Lily Fellenz, Riley Jackson, Phoebe Yancey, Noah Kienitz and Peyton Yancey. Dr. Bergstrom shared photos of the recent performance of the Nutcracker that took place in the OHS Performing Arts Center as well as photos of students at Netherwood using Play-Doh during a math lesson, and students from RCI taking part in the RCI Wax Museum. She shared that students in Mr. Derrick's art class designed handmade ornaments to the theme of Wisconsin Waters and the ornaments will be displayed in the Wisconsin State Capitol Rotunda. Dr. Bergstrom shared that the OHS Performing Arts Center has been busy with students from all levels showcasing their learning through performances. And lastly, Dr. Bergstrom shared a video and photo of OMS students learning the "Sign of the Week" from a NKE student. The video is shared via

the Panther Press and during Connections each Friday. Students practice along with the video and then take their learnings to the hallways afterwards.

F. CLOSING:

1. Future Agenda: Discussion was held.
2. Check Out: Board members had an opportunity to give updates.

The Board recessed at 8:14 PM to move into closed session.

Dr. Lokuta moved and Mr. LeBrun seconded the motion to move into closed session, as posted and announced by Ms. Flanagan pursuant to Wis. Stats. §19.85(1)(e) and §19.85(1)(g). In a roll call vote, the following members voted yes: Dr. Lokutz, Mr. LeBrun, Ms. Garrison, Ms. Wright, Ms. Bizjak and Ms. Flanagan. Motion passed 6-0. The board was in closed session at 8:21 PM.

G. CLOSED/EXECUTIVE SESSION:

1. Discussion Regarding Negotiating the 2022-2023 Collective Bargaining Agreement with the Oregon Education Association pursuant to § Wis. Stats. 19.85(1)(e) and Conferring with Legal Counsel about the Negotiations pursuant to § Wis Stats 19.85(1)(g): Discussion Held
2. Discussion regarding the performance evaluation data of administrators pursuant to § Wis. Stats. 19.85(1)(c): Discussion Held

H. ADJOURNMENT:

Ms. Garrison moved and Dr. Lokuta seconded the motion to adjourn the meeting. Motion passed 6-0 by unanimous voice vote. Meeting adjourned at 9:28 PM.

TO: Board of Education  
FROM: Dr. Leslie Bergstrom  
DATE: January 9, 2023

**AGENDA ITEM: C1 Approval of the Tentative Agreement with the Oregon Education Association for the 2022-23 Collective Bargaining Agreement**

INITIATED BY: Dr. Leslie Bergstrom

SUBMITTED BY: Dr. Leslie Bergstrom, Andy Weiland and Jina Jonen

BOARD POLICY OR STATUTORY REFERENCE: None

**SUPPORTING DATA:**

On November 8, 2022, the Oregon School District community approved a recurring operational referendum to provide increased compensation for school district staff.

For 2021-22, and 2022-23, school staff received a \$0 increase to their base wages. You can find the current Educator Compensation schedule attached. The CPI during this time as determined by the WERC was 1.23% and 4.7% respectively, for a total of 5.93%.

Under state law, the District is required to bargain the Collective Bargaining Agreement with the Oregon Education Association (OEA) for the 2022-23 school year regarding base wages. The District engaged in bargaining with the OEA during November and December. The parties reached a tentative agreement (TA) on December 21, 2022. The OEA's members are voting to approve the TA by January 6, 2023. You can find the TA in Appendix B.

The District also engaged in a meet and confer process with the OEA to discuss supplemental compensation for 2022-23. The parties agreed to the proposed Educator Compensation Schedule attached in Appendix C.

The District has four goals for the Educator Compensation Schedule:

1. Provide each employee at least a 5.93% increase to keep pace with CPI the past two school years;
2. Provide wages comparable to area districts to help retain and attract staff;
3. Maintain a salary schedule for educators that provides consistency and maximizes career earnings over time; and
4. Be fiscally responsible to our community.

If approved, the next step is for us to study educator compensation for area districts to ensure we are meeting the goals above, and to start working in spring on compensation for 2023-24.

**SUMMARY AND RECOMMENDATION:** It is recommended the Board of Education vote to approve the tentative agreement for 2022-23, and the attached Educator Compensation Schedule for the 2022-23 school year. We recommend a separate motion for each item.

ACTION BY BOARD: Motion: \_\_\_\_\_ Second: \_\_\_\_\_ Vote: \_\_\_\_\_

Revisions, if any \_\_\_\_\_

Agenda Item: C1

**Oregon School District Educator Compensation Plan  
2021-22**

**Appendix A**

**Green Level – Steps 1 - 5                      BA / MA or National Board Certification**

**\$45,000 / \$49,000**

In order to move through the steps and advance to the next level:

- Licensed educator
- Completion of an approved professional learning plan and successful completion of professional development sequences
- Proficient in performance as assessed by building administration

**Orange Level - Steps 6 - 10                      \$52,000 / \$56,000**

In order to move through the steps and advance to the next level:

- Licensed professional educator
- Completion of minimum 5 years of full-time service
- Development of an approved professional learning plan and successful completion of professional development sequences
- Proficient in performance as assessed by building administration
- Serve in a building or district leadership role as assigned by administration

**Blue Level - Step 11+                      \$64,000 / \$68,000**

In order to move through the steps:

- Completion of minimum of ten years of full-time service
- Licensed professional educator
- Completion of an approved professional learning plan and successful completion of professional development sequences
- Proficient in performance as assessed by building administration
- Serve in a building or district leadership role as assigned by administration

After the completion of additional years of active full-time service, if the blue level is not increased, educators shall receive a \$1000 stipend provided they meet the following:

- Licensed professional educator
- Completion of an approved professional learning plan and successful completion of professional development sequences
- Proficient in performance as assessed by building administration
- Serve in a building or district leadership role as assigned by administration

\*\*\*\*\*

**Purple Level - Lead Educator                      \$71,000 / \$75,000**

- Same criteria as others
- The positions are by application only subject to the factors below:
  - Extended contract
  - Release time for mentorship activities
  - Market factors
  - Exceptional performance/abilities

## **Evaluation Component**

- During the first two years of active employment, educators shall be on probation.
- The expectation is that all educators after 5 years of service will be “proficient,” which is a high standard.
- This will be assessed by building administrators through the current evaluation process which will include a review of each educator’s:
  - Danielson scores;
  - Professional development sequence; and
  - Professional learning plan.
- The assessment will not be tied to any specific test score or evaluation component, but will be individualized to each educator and circumstances related to that educator.

If an administrator does not believe an educator is at proficiency level, that educator will be placed on a performance improvement plan. An educator on a performance improvement plan shall not be eligible for a salary increase. If the educator does not satisfactorily complete the plan, the educator will be subject to non-renewal.

Note: For 2021-22, each educator received a step if eligible, a stipend in the amount of 1.23% and an additional stipend in the amount of \$1,500 prorated by FTE, half payable in January and half payable in June.

**Oregon School District and  
The Oregon Education Association  
Tentative Agreement 2022-23 CBA  
December 21, 2022**

The following is the Tentative Agreement for 2022-23 Collective Bargaining Agreement between the Oregon School District and the Oregon Education Association (the “OEA”):

**Recognition Clause – Same as the 2021-22 CBA**

The Board recognizes the OEA to be the sole bargaining agent for all non-supervisory certified personnel, except psychologists, nurses, related services (therapists), technology director, local vocational education coordinator and coordinators (AODA, Reading, G/T, and local vocational education), but including guidance personnel, and agrees to enter, in good faith, into negotiations with a representative committee of the OEA on matters allowed by law.

**Wages**

A base wage increase for employees in the bargaining unit for the duration of the CBA not to exceed a total of 4.7 % (CPI) to be distributed to employees in accordance with the Educator Compensation Plan.

**Duration**

This Agreement shall be in effect from July 1, 2022 to June 30, 2023.

Green Level – Steps 1 - 5      Bachelor's / Master's or National Board Certification  
\$48,000 / \$52,000

In order to move through the steps and advance to the next level:

- Licensed educator
- Successful completion of approved professional development plan and sequences
- Proficient in performance as assessed by building administration
- Completion of minimum 5 years of service to advance to the next level

Orange Level - Steps 6 - 10      \$55,500 / \$59,500

In order to move through the steps and advance to the next level:

- Licensed professional educator
- Successful completion of approved professional development plan and sequences
- Proficient in performance as assessed by building administration
- Service in a building or district leadership role if recommended by administration
- Completion of minimum 5 years of service to advance to the next level

Blue Level - Step 11+      \$68,250 / \$72,250

In order to advance to this level:

- Licensed professional educator
- Successful completion of approved professional development plan and sequences
- Proficient in performance as assessed by building administration
- Service in a building or district leadership role if recommended by administration

*For 2022-23, Educators off schedule will receive a 5.93% increase to their contract.*

### Additional Stipends

The District has the authority to award additional stipends for activities such as:

- Extended contract days
- Release time for mentorship activities
- Market factors
- Exceptional performance/abilities

### Milestone Stipends

To help retain educators and acknowledge their years of service to OSD, Educators will receive the following milestone stipends on their contract for the corresponding year of service with the OSD. The stipend is not base building, but educators will receive the stipend on their contract annually.

20 - 24 years of service in OSD	\$2,000
25 - 29 years of service in OSD	\$2,500
30 - 34 years of service in OSD	\$3,500
35+ years of service in OSD	\$4,500

#### Evaluation Component

- During the first two years of active employment, educators shall be on probation.
- The expectation is that all educators after 5 years of service will be "proficient," which is a high standard.
- This will be assessed by building administrators through the current evaluation process which will include a review of each educator's evaluation scores and professional development sequences.
- The assessment will not be tied to any specific test score or evaluation component, but will be individualized to each educator and circumstances related to that educator.

If an administrator does not believe an educator is at proficiency level, that educator will be placed on a performance improvement plan. An educator on a performance improvement plan shall not be eligible for a salary increase. If the educator does not satisfactorily complete the plan, the educator will be subject to non-renewal.

  X   Action  
\_\_\_\_\_ Discussion  
\_\_\_\_\_ Information

TO: Board of Education  
FROM: Dr. Leslie Bergstrom  
DATE: January 9, 2023

**AGENDA ITEM: C2 Approval of Increase in Per Pupil Reimbursement Amount for the 4K Program for**

**2022-23**

INITIATED BY: Dr. Leslie Bergstrom  
SUBMITTED BY: Dr. Leslie Bergstrom and Andy Weiland

BOARD POLICY OR STATUTORY REFERENCE: None

**SUPPORTING DATA:**

The Oregon School District 2022 referendum was focused on retaining and attracting the best educators for every classroom. Our community-based 4K programs serve the youngest students in the Oregon School District. The quality programming they provide is the introduction many of our families receive to the OSD. Consequently, it is important to also ensure that our 4K partners are able to provide competitive salaries that retain and attract quality staff.

We are currently paying our 4K community partners \$3,100 per student. After researching what other area school districts are paying their 4K community partners, we recommend raising the per student \$3,400 for the 2022-23 school year. If approved, the contract addendum will indicate an increase in base wage pay for 4K educators and assistants. We will conduct additional research in the spring to benchmark Dane County 4K per student reimbursement to ensure that we remain competitive.

**SUMMARY AND RECOMMENDATION:**

It is recommended that the Board of Education approve the 2022-23 allocation of \$3,400 per student for the Oregon School District 4K community-based sites.

2                                   Madison, Wisconsin

3                                   November 29, 2022

4  
5                                   **REPORT TO THE MEMBERSHIP ON PROPOSED 2023 RESOLUTIONS**

6                                   WASB Policy & Resolutions Committee

7                                   Rosanne Hahn, Burlington Area School Board, Chair

8  
9  
10                                  **Resolution 23-01: *High-Cost Transportation Aid***

11  
12                                  **Amend: Existing Resolution 2.33 as follows (*adding the underlined language*):** The WASB  
13 supports the continuation of the transportation categorical aid with the added provision for  
14 periodic adjustments in the aid amounts to maintain the relationship between the level of aids  
15 and the statewide average cost of providing transportation. The WASB further supports state  
16 high-cost transportation categorical aid for sparsely populated, geographically large school  
17 districts with per pupil transportation costs above the statewide average in addition to the  
18 transportation categorical aid paid to all districts. Additionally, school transportation categorical  
19 aids should be funded from the state's segregated transportation fund.

20  
21                                  **Rationale:** High-cost transportation aid provides additional state transportation aid to sparsely  
22 populated school districts with higher per pupil transportation costs compared to the statewide  
23 average. To date, WASB resolutions have not expressed a position on high-cost transportation  
24 aid. This resolution would put the WASB on record as specifically supporting this program.

25  
26  
27                                  **Resolution 23-02: *Voter Education***

28  
29                                  **Amend: Existing Resolution 3.01 (c) as follows (*adding the underlined language*):**  
30 recognition that a "well-rounded education" includes courses, activities, and programming in  
31 subjects such as English, reading or language arts, writing, science, technology, engineering,  
32 mathematics, foreign languages, civics and government, economics, arts, history, geography,  
33 computer science, music, career and technical education, health, physical education, voter  
34 education and any other subject, as determined by the State or local school district, with the  
35 purpose of providing all students access to an enriched curriculum and educational experience.

36  
37                                  **Rationale:** Voting in local, state, and national elections is regarded as a responsibility of our  
38 citizens. Educating students about this responsibility is one component of ensuring that our  
39 graduates are college, career, community, and civic ready. There is evidence from the world of  
40 political science and public policy research that life-long voting habits are formed in childhood  
41 and adolescence.

1   **Resolution 23-03: *Independent Charter School Funding***

2  
3   **Create (as a new subparagraph under existing Resolution 3.21):** The funding for charter  
4 schools not authorized by the local school board comes directly from the state and not from aid  
5 deductions to the resident school district or a first draw on school equalization aids.  
6

7   **Rationale:** To provide the state funding for independent charter school students the state has,  
8 historically, relied upon two methods. Depending on the authorizer, either: 1) the general school  
9 aid (equalization aid) available to all public school districts was reduced in proportion to each  
10 district's share of overall statewide general aid in order to fund the per pupil payments made to  
11 certain independent charter schools; or 2) an individual school district's general aid payment is  
12 reduced by a deduction equal to the amount paid to an independent charter school for each  
13 resident student of the school district enrolled in an independent charter.  
14

15 Under the first method, applicable to payments to "2r" independent charter schools authorized by  
16 the City of Milwaukee, UW-Milwaukee, and UW-Parkside, school districts historically could  
17 levy property taxes to make up for the reduced aid funding. That funding method, which reduced  
18 net general school aid payments to all districts by 1.6 percent, totaling roughly \$80 million  
19 statewide, ended in the 2021-22 school year.  
20

21 Under the second method, which is still in use, students attending a "2x" independent charter  
22 school are counted for revenue limit and general aid purposes by the school district in which they  
23 reside. Those districts are not allowed to increase tax levies to make up for the reduced aid  
24 funding. Eighty-four school districts had a total of \$19.0 million in aid withheld in the 2021-22  
25 school year. Independent Charter Schools will receive per pupil payments of \$9,264 in 2022-23.  
26  
27

28   **Resolution 23-04: *Learning Barriers for Students with Disabilities***

29  
30   **Repeal: Existing Resolution 3.41 IEP-Team Appeals, which currently reads:** The WASB  
31 supports legislation which gives school districts IEP-Team appeal recourse in cases where the  
32 parent refuses to accept a program for a handicapped child when recommended by the IEP-Team  
33 under Chapter 115.  
34

35   **Rationale:** The language of this resolution is outdated, and its focus arguably no longer reflects  
36 the direction in which special education law has evolved since this language was adopted in  
37 1978. This resolution is also out of step with the heightened calls for parental involvement in and  
38 consent for the educational program of their children prevalent in the current environment.  
39  
40  
41

1   **Resolution 23-05: *Discipline of Students with Disabilities***

2  
3   **Repeal and Recreate:** Existing Resolution 3.435 Discipline of Students with Disabilities as  
4   **follows:** The WASB supports ensuring the right to a free and appropriate public education  
5   (FAPE) for a student with a disability is not infringed by discriminatory disciplinary policies.  
6

7   **Rationale:** Updated guidance from the U.S. Department of Education (ED) from July 2022  
8   states that disciplinary policies may in some instances discriminate against students with  
9   disabilities. Discriminatory discipline can impact the academic performance of students with  
10   disabilities, thereby widening achievement gaps. According to ED: “Disciplinary policies and  
11   procedures that result in unjustified discriminatory effects based on a disability, even if  
12   unintentionally, violate Section 504. Under Section 504’s regulations, schools may not use  
13   criteria, policies, practices, or procedures that have the effect of: (1) discriminating on the basis  
14   of disability, such as by excluding students with disabilities from participating in school or  
15   denying them the benefits of the school’s programs and activities, or (2) defeating or  
16   substantially impairing the school’s objectives with respect to students with disabilities.”  
17  
18

19   **Resolution 23-06: *Parent Contracts for Private School Transportation***

20  
21   **Create:** The WASB supports legislation to change parent contracts for the transportation of  
22   private school pupils from providing a "per pupil" payment to parents to a "per household"  
23   payment to parents if more than one eligible pupil is being transported to the same private school  
24   destination.  
25

26   **Rationale:** School districts may enter into parent contracts for the transportation of private  
27   school students under which the school district reimburses the parents or guardians for  
28   transporting the pupils to a private school located within five miles of the boundaries of the  
29   school district.  
30

31   Under current law, if a household is transporting one pupil, it is reimbursed a certain amount. If a  
32   household is transporting two or more pupils of the same household, that reimbursement is  
33   multiplied by the number of pupils, even in cases where the pupils are traveling in the same  
34   vehicle to the same destination at little or no added cost. This is an added expense for school  
35   districts and considered a “loophole” in the law since the expense of transporting multiple pupils  
36   to a given location is likely the same as transporting a single pupil to that same location.  
37  
38  
39  
40  
41

1   **Resolution 23-07: Career and Technical Education**

2  
3   **Amend Existing Resolution 3.60** as follows (*adding the underlined language and deleting the*  
4 *stricken language*): **Career and Technical Education (CTE) Aid** The WASB supports the  
5 development of career and technical education programs including renewable  
6 energy/sustainability CTE in school districts. The WASB urges the state to foster this  
7 development by initiating an aid program designed to support and strengthen existing vocational  
8 CTE programs and stimulate the development of new where programs are deficient. The WASB  
9 supports state funding for, among other things, startup costs, staff training/certifications,  
10 coordinator positions, and development of a transition readiness program for students with  
11 disabilities.

12  
13   **Rationale:** Robust career and technical education (CTE) programs are one of the best ways to  
14 ensure that young people receive the technical and job skills they need to step into the workplace  
15 and perform the jobs available in our state. Investments to establish and strengthen model pilot  
16 CTE program will help schools identify what works best to meet both students' and employers'  
17 needs.

18  
19   Pursuing best practice energy management skills and training for district operations will help to  
20 manage more effectively one of the largest district budget expenditures, ultimately saving  
21 taxpayer dollars. Additionally, career opportunities in the energy and sustainability sector  
22 continue to experience high growth and demand for skilled employees.

23  
24  
25   **Resolution 23-08: Services for Students with Disabilities at Voucher Schools**

26  
27   **Repeal: Existing Resolution 3.93 Students with Disabilities—Parental Choice, which**  
28 **currently reads:** The WASB supports legislation requiring private schools participating in any  
29 parental choice program to accept and provide services to students with disabilities, with  
30 additional state funding for the education of these students.

31  
32   **Rationale:** Resolution 3.93 is arguably outdated because of the evolution of the voucher  
33 landscape in Wisconsin over the last decade. The current language was adopted prior to the  
34 creation of the Special Needs Scholarship Program (SNSP). There was no state program to  
35 provide state funding to private schools in return for them providing special education services to  
36 pupils with disabilities until the 2016-17 school year when the SNSP took effect.

1  
2 **Resolution 23-09: *Addressing Barriers to Learning for Students with Disabilities***

3  
4 **Create:** The WASB supports State and local investment in preservice learning, training and  
5 ongoing professional development for all educators to meet the needs of students with  
6 disabilities across all general education settings, including investment in the implementation of  
7 best practices in meeting the needs of diverse learners.  
8

9 **Rationale:** Currently WASB does not have a resolution identifying the comprehensive set of  
10 supports and resources necessary to address achievement gaps and other disparities and barriers  
11 for students with disabilities. In addition to funding, districts need quality professional  
12 development and targeted curricular support to help this population of students.  
13  
14

15 **Resolution 23-10: *FORT Requirement for Educators***

16  
17 **Create:** The WASB supports legislation to provide all teaching license applicants with an  
18 alternative pathway to licensure that does not require passage of the Foundations of Reading Test  
19 (FORT).  
20

21 **Rationale:** Many districts throughout Wisconsin are facing challenges with the recruitment and  
22 retention of teachers. To be licensed in Wisconsin, applicants for initial licensure as an  
23 elementary teacher, a special education teacher, a reading teacher, or reading specialist are  
24 required to pass the Foundations of Reading Test (FORT). Recently, state licensing statutes were  
25 amended to provide for an alternative demonstration of knowledge and skill in the teaching of  
26 reading for special education teacher candidates only. Passing the FORT can be a costly and  
27 time-consuming process, with a relatively high failure rate, especially among teacher license  
28 applicants of color and applicants whose first language is not English.  
29  
30

31 **Resolution 23-11: *Unemployment Compensation***

32  
33 **Create:** The WASB supports that school personnel who resign from their position with a school  
34 district or CESA following the completion of their signed contract and have reasonable  
35 assurance of continued employment for the next contract year or school year, and subsequently  
36 accept a contract for the following academic year with another district or CESA, are not eligible  
37 for Unemployment Compensation since there is no gap in employment or expected loss of  
38 income.  
39  
40

**Rationale:** Since ACT 10, teachers and other professionals are moving/changing districts at a higher rate compared to years ago, exposing districts to additional expenses over and above the paid contract. Under a ruling in a recent Unemployment Insurance (UI) case, anyone who takes a new position in a school district or CESA closer to their home, is eligible for unemployment compensation during the summer months.

Should this ruling become well-known among teachers and other professionals, we could anticipate growing numbers of teachers or other professionals opting to take positions in districts or CESAs closer to their residences in order to obtain a one-time “windfall” payment of unemployment compensation payments during the summer even though they have been given reasonable assurance of continued employment for the next contract year. Depending on the number of teachers switching districts or CESAs to gain this advantage, the costs to school districts and CESAs could be substantial.

#### **Resolution 23-12: *Societal Issues***

**Amend Existing Resolution 6.10** as follows (*adding the underlined language and deleting the stricken language*): The WASB supports increasing the efforts of all levels of government, private organizations, businesses and families in providing prevention, early intervention or other programs to ~~solve~~address problems (such as gangs, violence, bullying and harassment (including ~~bullying and harassment~~ by means of technology), ~~economic status/poverty~~, homelessness, hunger, unemployment, and any and all forms of discrimination, racism and injustice) that are being manifested in our communities, which would help enable schools to focus on academic not extracurricular endeavors.

**Rationale:** School boards are responsible for making sure that all children have an equal opportunity to attend school and participate in school district educational programs and activities. Boards adopt policies prohibiting student discrimination, providing appropriate avenues for filing and responding to discrimination complaints, and providing the necessary support and monitoring to ensure district compliance with student nondiscrimination laws and policies.

Often those school board policies operate reactively and spell out what to do when a societal problem generates impacts on the school. This resolution calls on school boards, districts, and others to undertake community efforts to combat those societal issues proactively before they generate a negative impact on student performance.

1   **Resolution 23-13: *Weapon Possession***

2  
3   **Amend Existing Resolution 6.11 (a) and (b) as follows (*adding the underlined language and***  
4   *deleting the stricken language*):

5  
6   (a) The WASB supports legislation that is intended to ensure the safety of attending school and  
7   school-sponsored activities. The WASB ~~will support~~ legislation limiting or prohibiting the  
8   ~~purchase or possession~~ by children of all firearms, knives, spring guns, air guns, and other  
9   weapons on school grounds. The WASB ~~will also support~~ legislation requiring school officials  
10   to be notified of the disposition of legal cases involving juveniles found guilty of weapons  
11   violations, assaults and other crimes which resulted or could have resulted in injury to others.

12  
13   (b) The WASB supports safe learning environments for all children, free of guns and other  
14   weapons. Further, the WASB opposes any initiatives at the local municipal, state or federal level  
15   that would legalize any further ability for anyone, with the exception of sworn law enforcement  
16   officers, to bring a weapon or possess a weapon, including a facsimile or "look alike" weapon,  
17   concealed or otherwise, in school zones or lessen the consequences for violation of existing safe  
18   school policies relating to guns and other weapons regardless of CCW license holding status.  
19   Decisions about whether CCW licensees may possess weapons in school buildings must remain  
20   exclusively in the hands of the locally elected school board which governs the school.  
21   Notwithstanding the preceding, the WASB recognizes and supports the desirability of clarifying  
22   and aligning state law with the allowable exceptions in federal law for school-sponsored  
23   activities such as trap shooting teams.

24  
25   **Rationale:** The proposed revisions would clarify and strengthen WASB's position discouraging  
26   or disallowing all guns and weapons at school and school-related activities, including: adding  
27   "local municipal" to the level of government initiatives, pertaining to attempts that could  
28   increase allowability of guns and weapons at schools by local governments; clarifying that  
29   WASB opposes gun possession at schools and in school zones regardless of a person's CCW  
30   licensure status; and supports aligning state gun free school zone laws with federal gun free  
31   school zone laws to clarify issues around school-sponsored activities.

1 **Resolution 23-14: *Oppose Federal Agency Mandates Imposed Without Use of Rulemaking***  
2 ***Process***

3  
4 **Create:** The WASB opposes attempts by federal agencies to impose policy mandates or edicts  
5 on local school districts and/or to withhold or threaten to withhold any school program funding  
6 through the issuance of “guidance” documents that are really enforcement documents in  
7 disguise. The WASB supports that federal agencies use the formal federal rulemaking process,  
8 which provides for public notice and comment on proposed rules/regulations, to make policy  
9 changes, particularly when controversial topics of subject areas are involved.

10  
11 **Rationale:** Federal agencies have been unilaterally issuing guidance to local school districts that,  
12 if not followed, carry the threat of possible sanctions including loss of funding from the federal  
13 government. As one example, on May 5, 2022, the U.S. Dept. of Agriculture (USDA) announced  
14 that, effective immediately, called on all school districts that participate in any federal child  
15 nutrition programs to enforce prohibitions on sex discrimination to include discrimination on the  
16 basis of gender identity and sexual orientation.

17  
18 Dramatic changes or expansions in the application of federal policy should be made through the  
19 federal rulemaking process, which provides for public notice and comment and requires federal  
20 agencies to take public comments into account when promulgating regulations that change  
21 federal policy or apply it in new ways.

22  
23 **Resolution 23-15: *Universal Free School Meals***

24  
25 **Create:** The WASB supports state supplemental funding sufficient to establish a universal free  
26 school meal program, enabling all students, regardless of family income, to receive free school  
27 meals at all schools, regardless of participation in the federal school meals program.

28  
29 **Rationale:** Proper nutrition plays an important role in preparing students mentally, physically,  
30 and emotionally for learning. Having the federal government provide money so that all students  
31 could eat during the pandemic greatly increased the number of meals served and provided access  
32 to balanced nutritional meals to many children who otherwise might not have had such food and  
33 it eliminated the stigma attached to free and reduced-price meals. It also eliminated schools  
34 having to deal with the issues of school meal debt or students who cannot afford to pay for their  
35 meal on any given school day. Having the state supplement or reimburse schools for the  
36 difference between the federal reimbursement and the cost of the meals would avoid these issues  
37 and enable all students attending a school participating in the federal school meals program to eat  
38 for free regardless of their family’s income level.

1   **Resolution 23-16: *Learning Loss***

2  
3   **Create:** The WASB supports efforts to provide federal and state funds that will be targeted to  
4   fund local districts’ efforts to address learning loss caused by a disaster or emergency that affects  
5   large portions of the state, such as COVID-19.  
6

7   **Rationale:** COVID-19 caused significant learning disruption for students in Wisconsin (and  
8   elsewhere). While Federal COVID-19 funds provided one-time money for schools to address  
9   learning disruption, that funding was not evenly distributed among Wisconsin school districts.  
10   Some districts may be able to use these federal funds to fully address learning loss caused by the  
11   pandemic, while other districts may lack sufficient federal funds to address such learning loss.  
12   This resolution supports the provision of state or federal funds to help all districts fully address  
13   the learning disruption caused by a disaster or emergency that affects large portion of the state.  
14   COVID 19 is cited as one example of the type of disaster or emergency covered by this  
15   resolution.  
16

17   The next three resolutions were developed by the WASB staff following a review of existing  
18   resolution language that was either outdated or no longer needed, or that could be stated more  
19   succinctly.  
20

21  
22   **Resolution 23-17: *Licensure***

23   (Note: Existing Resolutions relating to “Certification/Licensure” are found in the Resolutions  
24   Book at p. 36-38 and the Existing “4.80 Evaluations” is found at p. 38.)  
25

26   **REPEAL and RECREATE the following existing resolutions:**

- 27       •   **4.60 General Policy**  
28       •   **4.61 Shortages**  
29       •   **4.62 Temporary Certification**  
30       •   **4.63 Alternative Certification**  
31       •   **4.635 DPI Licensing of Clinical Counselors**  
32       •   **4.64 Performance-based Licensure**  
33       •   **4.65 Teacher Competency Exam**  
34       •   **4.66 Professional Growth**  
35       •   **4.67 Mentoring Duties**  
36       •   **4.68 Charter School Teachers**  
37       •   **4.69 Revocation**  
38       •   **4.80 Evaluations**  
39

40   **By RECREATING them to read as follows:**

#### **4.60 General Policy**

The WASB supports a teacher licensure system that fosters a highly educated, highly trained, effective, professional teaching force with reasonable flexibility to meet the needs of our members with regard to staffing supply challenges. (2018-13)

#### **4.61 Shortages**

##### **(a) Teacher Shortages and Alternative Licensure Pathways**

The WASB supports reasonable efforts to provide pathways to licensure for teaching candidates in subject or content areas where there is a shortage of licensed teachers, provided that candidates have bachelor's degrees and are qualified to be in a classroom as demonstrated by appropriate experience, knowledge and skills in the subject or content area, and rigorous training in pedagogy, assessment, and classroom management. (2015-17)

##### **(b) Technical Education Teacher Shortage**

The WASB supports reasonable efforts to increase the supply of licensed technical education teachers, in technical education content areas where shortages are most acute. (2015-04)

##### **(c) School Social Worker Certification and Licensure**

The WASB supports efforts to increase the supply of school social workers, school counselors and mental health providers throughout the state. The WASB will work with the DPI to address existing obstacles to school social worker licensing with an emphasis on obstacles faced by districts in regions of the state that are located remotely from universities conferring degrees currently recognized by the DPI for licensure. (2020-12)

#### **4.62 Temporary Certification**

The WASB supports temporary certification of teachers in grade levels or content areas other than those in which they are already certified to meet our members' need with regard to staffing supply challenges. (1982-5)

#### **4.63 Mentorship/Residency Model**

The WASB calls on the Superintendent of Public Instruction to actively promote alternative administrative and teacher certification that includes a mentorship/residency and a training program. (1991-15)(2005-22 )

#### **4.635 DPI Licensing of Clinical Counselors**

The WASB supports legislation authorizing the Department of Public Instruction to issue an educator license to clinical counselors, so school districts can employ clinical counselors to provide mental health services to students the same way other licensed district staff are employed to do so. (2019-18)

#### **4.65 Teacher Competency Exam**

The WASB supports legislation that would require teachers to pass a state competency exam before they are granted a license to teach in a Wisconsin public school district. (1999-8)

#### **4.68 Charter School Teachers**

The WASB supports allowing teachers granted a charter school license in a particular subject area to teach additional subjects under the supervision and/or direction of another Wisconsin certified teacher currently teaching in that subject area, provided that student learning meets standards applicable to the charter school. (2011-16)

#### **4.69 Revocation**

The WASB supports legislation to require the DPI to revoke the license of any teacher who has been dismissed or non-renewed by a school board for intentionally using school district technology to download, view or distribute pornographic material in violation of the district's acceptable use policy. The WASB further supports requiring the DPI to make information about the disposition of such cases publicly available if revocation is the result of the hearing. (2011-17)

#### **4.80 Evaluations**

The WASB supports efforts of school districts to systematically and periodically evaluate and compensate teachers, administrators and support staff members based on performance. (1989-1)(1996-8)

##### **(a) Staff Improvement/Professional Development**

The WASB supports the efforts of school boards to provide staff professional development to address staff improvement at the local level through effective evaluation and improved supervisory techniques that include coaching/mentoring. (1991-11)

##### **(b) Student Achievement as Performance Criteria**

The WASB supports legislation that would allow districts to develop a teacher evaluation instrument that would include all test/assessment results as part of the criteria for evaluating teachers. The WASB supports efforts to develop a model teacher evaluation system, provided that such a system is not mandated, is implemented gradually, and allows districts that have piloted their own rigorous teacher evaluation systems to continue to use those evaluation systems. (1999-16)(2012-15)

(c) The WASB supports efforts to: (1) develop definitions of key guiding principles of a high quality educator effectiveness system; (2) create model performance based evaluation systems for teachers and principals; (3) build a regulatory framework for implementation that includes how student achievement will be used in context; and (4) make recommendations for methods to support improvement and recognize performance. (2012-15)

**Rationale:** These changes are meant to remove outdated language, update terminology and consolidate resolution language into a more concise and coherent policy.

**(Note:** Headings/Titles of resolutions and placement in the book are decided by WASB staff. The delegates need to approve resolution language changes and deletions. The numbers in parentheses indicate the year the original/existing language was adopted by delegates.)

### **Resolution 23-18: *Revenue Limits***

(Note: Existing Resolutions relating to “Revenue Limits” are found in the Resolutions Book at pp. 13-15.)

### **REPEAL the following existing resolutions:**

- 2.40 State Cost Controls
- 2.41 Modification of Revenue Limits

### **And RECREATE them as follows:**

#### **2.40 State Cost Controls**

The WASB is opposed to state-imposed revenue limits on school districts. (1992-13)(2010-6)

#### **(a) Additional Revenue Limitations**

The WASB opposes any additional limitations that will force decreases in revenue to public school districts. This includes but is not limited to: freezing property tax levies; creating a moratorium on school district referenda; delaying payments to school districts; and adopting a constitutional regulation of school finance. (2002-18)(2005-1)

#### **2.41 Modification of Revenue Limits**

The WASB supports exemptions from the revenue cap to allow for the needs of individual districts with respect to the requirements of their programs. (1994-11)(1995-3)

The WASB also supports the following:

(a) Annually increase per pupil revenue limits statewide by a dollar amount equal to or greater than the percentage increase, if any, in CPI-U on a fiscal year basis applied to the statewide average revenue limit authority per pupil. (2012-3)(2017-6)

(b) Allowing the carryover of any unused revenue authority. (1995-3)(1996-10)

(c) Changing the revenue limit FTE membership calculation to allow a district to use either a five-year rolling average, three-year rolling average or the current year membership, whichever

1 is greater, and allowing a district to apply to the Department of Public Instruction for emergency  
2 aid or revenue flexibility. (1996-10)(1998-11)(2003-7)(2012-06)(2018-4)

3  
4 (d) Including 100 percent of full-time equivalent (FTE) summer school membership for each of  
5 the years used in the computation of the revenue cap. (1995-17)(2017-14)

6  
7 (e) Providing that a district's revenue limit be determined prior to the start of the district's fiscal  
8 year.

9  
10 (f) The WASB supports legislation to implement a sliding scale formula factor multiplier to  
11 increase the membership of districts for revenue limit purposes. (2016-9)

12  
13 **Rationale:** Parts of these resolutions are outdated. These changes are meant to update  
14 terminology and consolidate resolution language into a more concise and coherent policy.

15  
16  
17 **Resolution 23-19: Classroom Technology**

18 (Note: Existing Resolutions relating to “Classroom Technology” are found in the Resolutions  
19 Book at pp. 24-25.)

20  
21 **REPEAL the following existing resolutions:**

- 22 • 3.30 Interactive Communications Systems
- 23 • 3.31 Technology in the Classroom
- 24 • 3.32 Educational Technology Initiative
- 25 • 3.33 Online Courses
- 26 • 3.34 Virtual Schools
- 27 • 3.35 Statewide Contracting for Virtual Classes
- 28 • 3.36 CESAs and Virtual Charter Schools

29  
30 **And RECREATE as follows:**

31  
32 **EDUCATIONAL TECHNOLOGY**

33  
34 **3.30 General Policy**

35 The WASB supports the use of educational technologies, including the use of online courses to  
36 allow local school boards to offer course content to students that they would otherwise be unable  
37 to offer.

38  
39 **3.31 State Funding**

40 The WASB supports state-funded educational technology initiatives to ensure that school  
41 districts have the technological capacity for students to succeed in the 21st century and to meet

1 state requirements, such as online adaptive testing, the state accountability system, curriculum  
2 and instructional standards aligned to college and career readiness, and rigorous teacher and  
3 principal evaluation systems. (2013-1)

### 4 5 **3.32 Virtual Charter Schools**

6 The WASB supports that publicly funded virtual charter schools must follow state accountability  
7 standards and transparency requirements.

### 8 9 **3.33 CESAs and Virtual Charter Schools**

10 The WASB supports allowing CESAs to enter into cooperative agreements with individual  
11 school districts to establish virtual charter schools authorized by the board of the local school  
12 district. The WASB opposes legislation granting CESAs the authority to establish independent  
13 virtual charter schools.

14  
15 Should any CESA be authorized to operate a virtual charter school without entering into a  
16 cooperative agreement with a school district, the WASB supports limiting per pupil payments to  
17 any CESA authorized virtual charter school to an amount identical to the per pupil amount of the  
18 open enrollment transfer payment. This would prevent CESA-authorized virtual charter schools  
19 from unfairly competing with school board-authorized virtual charter schools. (2012-12)

20  
21 **Rationale:** These resolutions are outdated. These changes are meant to update terminology and  
22 consolidate resolution language into a more concise and coherent policy.

## OREGON SCHOOL DISTRICT

  X   Action  
      Discussion  
      Information

TO: Board of Education  
FROM: Dr. Leslie Bergstrom  
DATE: January 9, 2023

### **AGENDA ITEM: C4 Policy 411.01 Graduation Requirements**

INITIATED BY: Dr. Leslie Bergstrom  
SUBMITTED BY: Dr. Leslie Bergstrom, Jon Tanner, Darci Krueger  
BOARD POLICY OR STATUTORY REFERENCE: 411.01

### **SUPPORTING DATA:**

#### **Social Studies Requirement**

During the summer of 2021, the OHS Social Studies Department began the process of aligning the [2018 WI Social Studies Standards](#) to our existing curriculum. As part of that process, the department identified gaps in the areas of political science and economics. As a result of the gap analysis, the economics standards will be embedded in existing courses, and we recommend adding one half (½) credit political science course for all OHS students in place of a half-credit of social studies electives. The total number of social studies credits required for graduation remains 3.0.

Current Social Studies graduation requirement:

At least three (3) credits in Social Studies comprised of one (1) credit of U.S. History, one (1) credit of World Civilization, and one credit of an elective.

Proposed Social Studies graduation requirement:

At least three (3) credits in Social Studies comprised of one (1) credit of U.S. History, one (1) credit of World Civilization, **one-half (½) credit of political science and one-half (½) credit of an elective.**

The political science course requirement will be designed for students in grade 11, and would be taught by OHS social studies staff through our existing staffing allocation. Course development will take place throughout the 23-24 school year. The course may be offered in the 24-25 school. The administrative team proposes it is a required course beginning with the class of 2027.

## Financial Literacy Requirement

The administrative team recommends adding a graduation requirement that students demonstrate proficiency in the 2020 Wisconsin DPI Standards for Personal Financial Literacy. These K-12 standards are required by DPI.

Senior Exit Surveys of graduates consistently indicate that students would like more instruction in the area of personal finance. Additionally, the importance of financial literacy was frequently mentioned during community focus groups when developing the Portrait of a Graduate. In response, personal financial literacy is a component of the OSD Portrait of a Graduate. The administrative team is now recommending the addition of a personal financial literacy graduation requirement to align with Portrait of a Graduate.

Students will be able to meet the half-credit personal financial literacy requirement through the following options:

- a Personal Financial Literacy course based on our existing Personal Finance elective
- a revised AP Economics course which includes the Personal Financial Literacy standards
- a Personal Financial Literacy course offered during summer semester
- an Advanced Algebra with Financial Applications course (to be developed)
- the Junior/Senior Seminar course.

This will not increase the total number of credits required for graduation (23). It may take the place of one-half credit of the minimum 8 elective credits for graduation, depending on the method of meeting the requirement.

The Personal Financial Literacy course, Senior Seminar course, the online course, and the summer school course will be taught by members of the Business department. The AP Economics course will be taught by a member of the Social Studies department. The Advanced Algebra with Financial Applications course will be taught by a member of the Math department. We anticipate it will require additional Business department staffing allocation when/if the recommendation becomes a requirement.

The courses that will meet the requirement will be designed for students in their junior and senior year. We anticipate course design or redesign will occur throughout the 2023-2024 school year and subsequent summer.

We recommend implementing this requirement beginning with the class of 2027 for the following reasons:

- This timing allows students currently in high school to continue with their planned courses, and avoids having to drop a planned elective (e.g., music, art, technical education, world language, etc.).
- This allows time to build the personal financial literacy standards into existing classes and develop additional classes
- Allows time to add teacher allocation and restructure sections

To address the urgency of providing current high school students graduating prior to 2027 with personal financial literacy instruction, we will continue to offer and encourage students to take the existing personal finance course. Currently, 122 students in the class of 2023 have taken or are registered to take this course. In addition we are working on ways to incorporate personal financial literacy into lessons that take place in Connections as well as all-day hands-on simulation experiences.

**SUMMARY AND RECOMMENDATION:** It is recommended the Board of Education approve the administrative recommendation to amend policy 411.01 to require a half ( $\frac{1}{2}$ ) credit Political Science credit as part of the 3.0 Social Studies graduation requirement and a half ( $\frac{1}{2}$ ) credit Financial Literacy requirement as

part of the 8 credit elective requirement. The requirements will go into effect for the class of 2027.

Revisions, if any \_\_\_\_\_

Agenda Item: C4

## **411: Graduation Requirements - Portrait of A Graduate**

### **WORKING DRAFT 411.01**

**DECEMBER 12**

The Oregon School District will provide an educational experience designed to help each student reach their full potential. The District will endeavor that students learn and master academic content, form meaningful relationships and develop the skills, aptitudes and characteristics important to meeting the challenges they may face in building rewarding lives. By the time of graduation, students must demonstrate Competency and have a strong foundation built through Character & Culture, Critical & Creative Thinking, and Community upon which to move forward as a member of their community and a global society.

**411.01** – Competency: The graduate will exhibit mastery of all assigned and self-selected learning standards. Students must meet all learning requirements as outlined below:

1. For students graduating in or after June 2017:
  - a. Each student must acquire 23 credits.
  - b. At least four (4) credits must be in English, comprised of English 9, English 10, one (1) credit from an English 11 level course, and one (1) credit of English electives;
  - c. At least three (3) credits in Social Studies comprised of one (1) credit of U.S. History, one (1) credit of World Civilization and one (1) elective credit (effective for students graduating in or after June 2018);
  - d. At least three (3) credits in Mathematics;
  - e. At least three (3) credits in Science; and
  - f. At least one and one-half (1 ½) credits in Physical Education and one half (1/2) credit in Health Education.
  - g. Each student must complete a minimum of ten hours of community service per school year.
  - h. Each student must pass the civics exam required by state law.

**411.01** – Competency: The graduate will exhibit mastery of all assigned and self-selected learning standards. Students must meet all learning requirements as outlined below:

2. For students graduating in or after **January 2027**:
  - a. Each student must acquire 23 credits.
  - b. At least four (4) credits must be in English, comprised of English 9, English 10, one (1) credit from an English 11 level course, and one (1) credit of English electives;
  - c. At least three (3) credits in Social Studies comprised of one (1) credit of U.S. History, one (1) credit of World Civilization, **one-half (½) credit of political science and one-half (½) credit of an elective.**
  - d. At least three (3) credits in Mathematics;
  - e. At least three (3) credits in Science; and

- f. At least one and one-half (1 ½) credits in Physical Education and one half (1/2) credit in Health Education.
- g. At least one-half (½) credit in personal finance.
- h. Each student must complete a minimum of ten hours of community service per school year.
- i. Each student must pass the civics exam required by state law.

**411.02 – For students graduating after June 2022:**

- a. Competency: Meet all learning requirements as outlined in 411.01.
- b. Character & Culture: Graduates exhibit traits that build a foundation leading to success in any chosen future and contribute to a caring and inclusive community.
  - i. Understanding the importance of respecting individual and cultural diversity.
  - ii. Empathy, including a willingness to seek and understand the perspective of others.
  - iii. Ability to employ strategies that support their own physical and mental wellness.
  - iv. Awareness to recognize an injustice and advocate for oneself and others.
  - v. Adaptability, flexibility, and perseverance in the pursuit of meaningful educational, career, and personal goals.
  - vi. Anticipation and acceptance of the consequences of their actions.
  - vii. Motivation, curiosity, and the inspiration to be a lifelong learner.
  - viii. Skills necessary to be self-sufficient, including a knowledge base in personal finances.
- c. Critical & Creative Thinking: Graduates think critically and creatively in a variety of situations.
  - i. Ability to gather and analyze information while evaluating source credibility.
  - ii. Ability to utilize critical thinking to identify and solve problems.
  - iii. Ability to think creatively and innovatively on a variety of levels (e.g., cognitively, intellectually, and socially).
  - iv. Ability to work collaboratively and independently.
- d. Community: Graduates display the skills and understanding necessary to learn from and contribute to local and global communities.
  - i. Understanding and appreciation of the importance of being a responsible community member who exchanges ideas respectfully and values the input of ideas different from their own.
  - ii. Understanding of the manner in which our government operations at the local, state, national and global level.
  - iii. Ecological literacy and an understanding of the importance of sustainability and being a responsible environmental steward.
  - iv. Willingness to pursue opportunities such a club and extra-curricular participation, mentorships, internships, and community service activities.

- v. Employing digital citizenship - responsible use of the Internet and technology - when engaging with society.
- vi. Ability to effectively communicate with others via a variety of mediums.

**411.03** – Students in Alternative Education Programs can graduate from Oregon High School based on meeting the requirements of their Personalized Learning Plans (PLP's) including passage of the HSED or GED tests. The District may also establish an Alternative Education Program which may award diplomas based upon satisfactory completion of a PLP, which shall include completion of 15 designated credits (including required state credits).

**411.04 – Graduation Exercise Policy** – Students who meet the district's graduation policy may obtain their diploma. Students do not have to participate in the graduation ceremony to obtain their diploma. Participation in the graduation ceremony is considered a privilege that students must earn as a result of meeting the following requirements.

- 411.04.1: Completion of the District's Graduation requirements
- 411.04.2: Payment of financial obligations relating to district fees and fines.
- 411.04.3: Return of all District Equipment and Property.
- 411.04.4: Compliance with attendance requirements and obligations
- 411.04.5: Demonstration of behavior that meets the expectations of appropriate school conduct.

A student's ability to earn the privilege to participate in the graduation ceremony will be determined by the high school principal. If it is determined that a student has not earned such a privilege, the student and the student's parents and guardians will be notified as soon as possible.

#### **411.05 – Early Graduation**

- 411.05.01A: The normal and expected program leading to a diploma anticipates four years of full time attendance. We recognize that it is possible that some students may fulfill all requirements for graduation in less than four years. We also recognize some students may need to take more than four years.
- 411.05.01B: Early graduation should be a planned program involving parents, student and school personnel. Application for early graduation must be made to the principal at least one semester before the intended graduation date.
- 411.05.01C: A student wishing to graduate early must indicate to the principal no later than the end of the seventh semester if he/she wishes to be involved in the spring graduation ceremony.
- 411.05.02: Class Rank Computation Guidelines for Early Graduation: If the approval for early graduation places a student in a graduating class other than the class in which the student was projected to graduate as a ninth grader, class rank in the graduating class shall be based on the student's grade point average at the end of the semester prior to the semester of graduation. The early graduate shall be eligible for all honor, awards, and scholarships to which the student's grade point average and class rank qualifies him/her in the year he/she graduates.

**411.06 – Later Graduation** – Any student who plans to graduate in four years or less must be a full time student while enrolled at Oregon High School. For those who need more than four years, attendance may be on a part-time basis.

## OREGON SCHOOL DISTRICT PORTRAIT OF A GRADUATE

Provide an educational experience designed to help each student reach their full potential through demonstration of **Competency**, and a strong foundation built through **Character & Culture**, **Critical & Creative Thinking**, and **Community** upon which to move forward as a member of their community and a global society.

## OREGON SCHOOL DISTRICT PORTRAIT OF A GRADUATE

The Oregon School District will provide an educational experience designed to help each student reach their full potential. We endeavor that students learn and master academic content, form meaningful relationships and develop the skills, aptitudes and characteristics important to meeting the challenges they may face in building rewarding lives. By the time of graduation, students must demonstrate **Competency** and have a strong foundation built through **Character & Culture**, **Critical & Creative Thinking**, and **Community** upon which to move forward as a member of their community and a global society.

**Competency** - Graduates exhibit mastery of all assigned and self-selected learning standards as outlined in Board Policy 411.01

**Character & Culture** - Graduates exhibit traits that build a foundation leading to success in any chosen future and contribute to a caring and inclusive community.

- Understanding the importance of respecting individual and cultural diversity.
- Empathy, including a willingness to seek and understand the perspective of others.
- Ability to employ strategies that support their own physical and mental wellness.
- Awareness to recognize an injustice and advocate for oneself and others.
- Adaptability, flexibility, and perseverance in the pursuit of meaningful educational, career, and personal goals.
- Anticipation and acceptance of the consequences of their actions.
- Motivation, curiosity, and the inspiration to be a lifelong learner.
- Skills necessary to be self-sufficient, including a knowledge base in personal finances.

**Critical & Creative Thinking** - Graduates think critically and creatively in a variety of situations.

- Ability to gather and analyze information while evaluating source credibility.
- Ability to utilize critical thinking to identify and solve problems.
- Ability to think creatively and innovatively on a variety of levels (e.g., cognitively, intellectually, and socially).
- Ability to work collaboratively and independently.

**Community** - Graduates display the skills and understanding necessary to learn from and contribute to local and global communities.

- Understanding and appreciation of the importance of being a responsible community member who exchanges ideas respectfully and values the input of ideas different from their own.
- Understanding of the manner in which our government operations at the local, state, national and global level.
- Ecological literacy and an understanding of the importance of sustainability and being a responsible environmental steward.
- Willingness to pursue opportunities such as a club and extra-curricular participation, mentorships, internships, and community service activities.
- Employing digital citizenship - responsible use of the Internet and technology - when engaging with society.
- Ability to effectively communicate with others via a variety of mediums.

## **715: Head Lice - WORKING DRAFT 1/9/2023**

715.01 – The District’s lice management program shall be under the direction of the school nurses in consultation with the District’s Medical Advisor and the Director of Student Services.

715.02 - If a student is diagnosed with head lice while at school, they are able to complete the school day assuming the student feels comfortable enough to learn. The District shall inform the parent/guardian and provide information about appropriate treatment options.

715.03 - The student should be treated at home, and may return to school under the following circumstances:

1. The student has been treated with an appropriate lice killing agent; and
2. The student has been discouraged from having close direct head contact with others.

715.04 - Upon return to school, the health staff will examine the student. If live lice are present, the nurse will notify the parent/guardian to review treatment options and determine if the student needs to be sent home from school with the strong preference being that the student remain in school. If the student has nits only, the student may remain at school and the health staff will continue to monitor the student for signs of re-infestation.

715.05 - As with other medical conditions and information, school staff shall take the appropriate steps to ensure confidentiality.
