SUBMITTED BY: Andy T. Weiland, Business Manager  
BOARD POLICY OR STATUTORY REFERENCE:

**SUPPORTING DATA:**

The OSD Food Service Department is interested in continuing with the WI-SNP cooperative for the 2023-2024 school year. This will be the District’s fourth year being part of the cooperative. By joining WI-SNP, we will have access to better buying power which will decrease our overall food costs and increase the availability of food that is specifically catered towards schools. Additionally, the cooperative is working on eliminating some of the unwanted additives to food (high fructose corn syrup, MSG, artificial flavors, etc.). Being a part of the group will help to bring in more "clean label" items to provide the best products to our students.

**SUMMARY AND RECOMMENDATION:**

It is recommended that the Board of Education approve the Resolution and the 66:0301 with the Wisconsin School Nutrition Purchasing Cooperative (WiSNP Co-op) as attached.

**AGENDA ITEM: C3 - Issuance of Educator Contracts for School Year 2023-24**

INITIATED BY: Dr. Leslie Bergstrom and Jina Jonen  
SUBMITTED BY: Dr. Leslie Bergstrom and Jina Jonen

BOARD POLICY OR STATUTORY REFERENCE: Wis. Stat. § 118.21 and § 118.22

**SUPPORTING DATA:**

Pursuant to Wis. Stat. § 118.22, the District needs to issue contracts to certified educators in the Oregon Education Association bargaining unit no later than May 15. The District provides contracts to the certified educators consistent with the Board’s staffing plan and with the Wisconsin State Statute chapter 118. Per state law, educators must return those contracts no later than June 15.

The District will not issue contracts to certified educators who have submitted their retirement or resignation, were subject to full layoff or non-renewal, or were issued an interim contract for the 2022-23 school year.

We recommend the changes to the educator contract as shown in Appendix A. There are two substantive changes. One is increasing the liquidated damages amount to encourage educators to give at least a four week notice. When we have a shorter notice period, our recruitment costs increase. The other change is to require educators to elect 24 pay periods to help streamline the payroll process. We currently have nine educators on 20-pays and we would allow them to keep that selection should they choose to do so.

**SUMMARY AND RECOMMENDATION:**

The Board approve the issuance of contracts for the eligible certified educators for the 2023-24 school year with changes as shown in Appendix A.

SUBMITTED BY: Dr. Leslie Bergstrom and Jina Jonen

BOARD POLICY OR STATUTORY REFERENCE: Wis. Stat. § 118.21 and § 118.22

**SUPPORTING DATA:**

Pursuant to Wis. Stat. § 118.22, the District needs to issue contracts to certified educators not represented by the Oregon Education Association bargaining unit no later than May 15. The District provides contracts to licensed non-represented educators consistent with the Board’s staffing plan and with the Wisconsin State Statute chapter 118. Per state law, educators must return those contracts no later than June 15.

The District will not issue contracts to licensed non-represented educators who have submitted their retirement or resignation, were subject to full layoff or non-renewal, or were issued an interim contract for the 2022-23 school year.

We recommend the changes to the licensed non-represented contract as shown in Appendix A. There are two substantive changes. One is increasing the liquidated damages amount to encourage educators to give at least a four week notice. When we have a shorter notice period, our recruitment costs increase. The other change is to require educators to elect 24 pay periods to help streamline the payroll process. We currently have nine educators on 20-pays and we would allow them to keep that selection should they choose to do so.

**SUMMARY AND RECOMMENDATION:**

The Board approve the issuance of contracts for the eligible licensed non-represented educators for the 2023-24 school year with changes as shown in Appendix A.

SUBMITTED BY: Dr. Leslie Bergstrom and Jina Jonen

BOARD POLICY OR STATUTORY REFERENCE: Wis. Stat. § 118.24

**SUPPORTING DATA:**

Pursuant to Wis. Stat. § 118.24, the District may issue contracts to administrators for up to two years; a contract for a term of two years may provide for one or more extensions of one year each. The District provides contracts to administrators consistent with the Board’s staffing plan and with the Wisconsin State Statute chapter 118.

The District will not issue contracts to administrators who have submitted their retirement or resignation, were subject to full layoff or non-renewal, were not extended, or were issued an interim contract for the 2022-23 school year.

We recommend that the Board approve the change to the administrator’s liquidated damages to be consistent with the other professional staff when the administrator’s contract is up for renewal. (Administrators have two year contracts so their contracts are already in effect.)

**SUMMARY AND RECOMMENDATION:**

The Board approve the issuance of contracts for the eligible administrators for the 2023-25 school year with changes as shown in Appendix A.

Oregon School Board Resolution Regarding Funding Wisconsin Public Schools  
Resolution No. 2023-01

WHEREAS, the Oregon School District's mission "is to educate all students by helping them acquire the skills, knowledge, and attitudes needed to achieve their individual potential, to contribute to a changing society, and to be receptive to learning as a lifelong process..." See Oregon School Board Policy [111: Mission Statement](#) ;

WHEREAS, the Oregon School District has five core values, including a long-standing emphasis on serving the whole child. See [What We Value](#);

WHEREAS, the Oregon School District is committed to providing an educational experience designed to help each student reach their full potential through demonstration of Competency, and a strong foundation built through Character & Culture, Critical & Creative Thinking, and Community upon which to move forward as a member of their community and global society. See [PORTRAIT OF A GRADUATE](#);

WHEREAS, students' needs continue to increase each year, particularly in the area of mental health supports and special education programming;

WHEREAS, the Wisconsin Constitution, Article X, requires that the Legislature provide for "the establishment of district schools, which shall be as nearly uniform as practicable; and such schools shall be free and without charge for tuition to all children between the ages of 4 and 20 years";

WHEREAS, Local taxpayers have been called upon to fund public schools through operational referendums when the Legislative Fiscal Bureau has forecast that Wisconsin will have a \$7.1 billion budget surplus by July 2023, the largest surplus in state history; See [LFB Revenue Estimate](#)

WHEREAS, the Oregon School Board joins with other school districts of Wisconsin and in partnership with Dane County Boards of Education and Superintendents in supporting increased educational investments in our children; and

WHEREAS, the Oregon School Board calls on the Wisconsin Legislature and the Governor to include the following investments in the 2023-25 biennial budget:

NOW, THEREFORE BE IT RESOLVED, that the 2023-25 biennial budget:

1. Narrow the special education funding gap through an increase in the special education reimbursement rate from 31% to *at least 60%* of the costs of services for our students with disabilities, given that this is the largest single unfunded mandate on Wisconsin public schools;
2. Provide recurring funding, rather than one-time grants, for services where student needs are the greatest, such as mental health support, students living in poverty, early childhood learning, bilingual support, and rural areas, through widely accessible and noncompetitive means; and
3. Include an increase in the revenue limits to at least \$1,000 per student over the next two years;
4. Not include additional spending allocations for private voucher and independent (non-district) charter schools (that don't have to adhere to the same public school mandates) at least until Wisconsin public schools have predictable and sustainable funding from the state budget that meets or exceeds inflation.

On April 10, 2023, in a properly noticed Board Meeting in open session, the Oregon School Board passed this Resolution by a \_\_\_\_\_ vote.

Dated this 10th day of April 2023
