## 8th Grade Band Visits Attends UW Clinic

We welcomed WI State Superintendent, Dr. Jill Underly, to Oregon High School this week to kick off Career and Technical Education (CTE) Month.

We are so proud of our students who are taking advantage of these opportunities and our amazing educators who are make this learning possible.

Students who may be interested in CTE opportunities are encouraged to contact their school counselor and Ms. D'Amelio, our School to Career Coordinator to discuss and learn more.

# OHS Wood Manufacturing Class

Students in Mr. Stace's Wood Manufacturing course at Oregon High School are hard at work on their cutting board projects. This task requires putting into practice new skills, individual creativity, and meticulous attention to detail. We can't wait to see the final products!
